

Website Planning Document

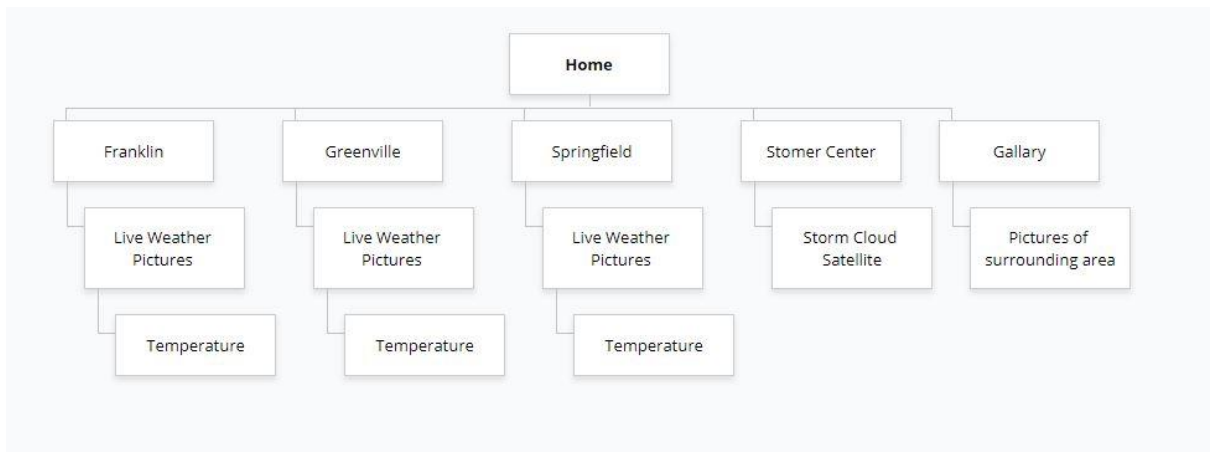

Created by: Zanele H

Site Name: Weather Zone 24/7

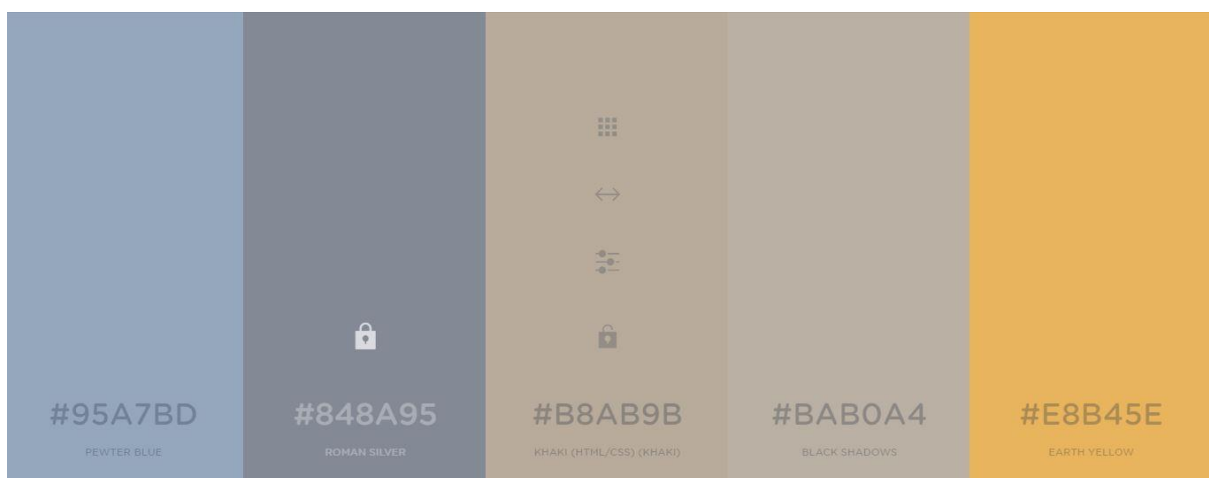

Target Audience:

My target audience is everyone. From people who love to go to the beach and enjoy the festivities there, to your everyday working individual who works mainly outdoors. To people who enjoy camping and hiking and who need to know what the weather is like for them to enjoy their activities. To your farmers who rely on the weather for their crops to grow and eventually make profits on those crops.
